

FOR IMMEDIATE RELEASE:

Charming Picture Book Teaches Children the Joy of Participating in the Community

***The Cake Thief* by Sally Lee is a delightful children’s book about a young robber who learns why it is better to give than to steal**

DANVERS, Mass. – *The Cake Thief* by Sally Lee is a delightfully illustrated children’s story about love, redemption and friendship.

Lee’s *The Cake Thief* tells the story of young Clarence, who loves to steal cakes from everyone in the neighborhood. But one day, instead of a cake, Clarence finds an invitation to a party which instructs him to bring a cake himself. What’s a young cake thief to do?

Children will love the delicious story and colorful illustrations, while parents will approve of the gentle message that it’s always much more fun to be a part of things than to watch from the sidelines. Accomplished artist Lee has created a bright, whimsical book that’s sure to be treasured by children of all ages.

“The story is lively; the simple text is superbly enhanced by the whimsical art style. The result is a welcome and recommended addition to family, school and community library picture book collections for young children.” Five Stars, *Midwest Book Review*

For more information or to request a free review copy, members of the press can contact the author at sally@csail.mit.edu. *The Cake Thief* is available for sale online at Amazon.com, BookSurge.com, and through additional wholesale and retail channels worldwide.
